Placement Brochure

2023-24

Prof. Virendra K Tiwari

Director, IIT Kharagpur

As an Institute of Eminence, IIT Kharagpur stands tall as the flag bearer of nation building with an aspirational employee pool that strengthens the edifice of Atmanirbhar Bharat. With the bench mark of 1600 plus offers within 12 days of placement and 900 plus internship offers for the session 2021-22, the tremendous skill set of the students and extraordinary support from the corporates have upheld the legacy of IIT Kharagpur, the mother of all IITs.

IIT Kharagpur strives persistently to enhance its performance by introducing new advancements that includes micro-specializations, industry-academia collaborations, comprehensive arrangements to facilitate interdisciplinary, transdisciplinary and multidisciplinary learning, enabling students to excel the confines of their respective curricula. 48 offers in the CTC range of 0.5 - 2.64 crore with 45 plus international offers were received by the students of the Institute this year with 5 foreign students also securing jobs in the campus placements. More than 300 companies have participated in this placement season across all sectors including software, high level coding, analytics, consulting, core engineering companies, banking / finance, high frequency trading etc. Companies including Airbus, Accenture Japan, Da Vinci Derivatives, EXL, Google, Microsoft, Qualcomm, Squarepoint Capital, N K Securities, Hindustan Unilever, Tata Steel, Texas Instruments, Bajaj Auto, Jaguar Land Rover etc. have been valuable partner recruiters this year from IIT KGP. What is also encouraged is the students' participation in various technological and socio-cultural events in national as well as international events shaping up their personalities as individuals.

The Institute invites various business houses to the Campus Recruitment Programme and Entrepreneurship Summits to give the graduating students an opportunity to prove themselves and add value to the organizations they desire to be a part of. We are delighted to acknowledge that most of our corporate recruiters have shown immense trust in our institution, strengthening our bond as the academic partner. We prepare the students for solving the problems which have a direct or indirect bearing on the society. I hope the CDC exuberates the confidence of producing the best in the market among the recruiters by creating a positive experience, extending our relations and building new ones as it is said, do not wait for the right opportunity - create it. I thank all the CDC members and recruiters for their valuable support, contribution and participation. We wish them a bright future.

Prof. Rajib Maity
Chairperson, CDC

“Yogah Karmasu Kaushalam” (Excellence in action is Yoga) is the moto of IIT Kharagpur. We aspire excellence through our action in all facets of IIT Kharagpur. The Career Development Centre (CDC) of IIT Kharagpur is not an exception. We nurture the idea of seeing career as a continuously evolving process. Keeping this principle in mind, we seek to guide the students in developing their personality and awareness towards excellence from their very first day in the campus. We organize industry oriented lecture series/workshops, life skills/leadership training, and interactions with experts to keep our students ready to excel in their respective professional domains. We believe such programs and interactions could motivate the young talents, and help them to get ready to accept the challenges towards our national progress and to meet the demands of the corporate world, and beyond. We welcome organisations and experts from various sectors to visit us and look forward their constructive feedback.

VICE CHAIRPERSON CDC

Prof. Ajay M Sidpara
Vice Chairperson

The Career Development Centre (CDC) puts untiring efforts to assimilate the idea of career development in our students through continuous and progressive learning. CDC provides guidance to the students in developing their personality right from their joining this renowned Institution.

We welcome organisations and experts from various sectors to visit our Institute for interaction with CDC and the students. Various industry-oriented lecture series/workshops, life skills/ leadership training, and interactions with various experts are organized to keep our students abreast with the industrial trends required to excel in their respective professional domains.

The students attain awareness to set their career path towards excellence by gathering consistent and constructive feedback from the corporate visitors. The activities of CDC include equipping the students to hone their professional skills, acquiring the best in-class capabilities in their respective disciplines, and motivating young talents for interdisciplinary learning.

Prof. Monalisa Sarma
Vice Chairperson

Our vision of career development is not limited to creating internships and placement opportunities. Rather, we view career development as a continuous process to make the students industry ready right from the day they enter into the institute. This process involves creating ample opportunities for the students to develop their personality through soft skill development programs. We facilitate such programs organized by renowned players in the market. By organising talks of industry experts, we make sure that the students are well aware of the recent trends in the job market and prepare themselves accordingly.

Through our close interaction with both the student community and the industry, we facilitate to convey the expectation of the corporate world to the students and assist the companies to get the finest set of brains suitable for the profiles they are looking for. Our corporate interactions many times lead to further industry academia collaborations in terms of sponsored and consultancy projects. We are committed to improve our corporate interactions and bridge the gap between industry expectation and academic offering at IIT Kharagpur.

Prof. Jitendra K Jha
Vice Chairperson

Indian Institute of Technology (IIT) Kharagpur is widely regarded as the pioneer and the first institute in the IIT system and has played a crucial role in setting up the blueprint for technical education in India. With a sprawling campus and state-of-the-art facilities, it is known for its rigorous academic programs, cutting-edge research and innovation across various disciplines. It offers a wide range of undergraduate, postgraduate, and doctoral programmes in various disciplines and has garnered a robust international standing for nurturing exceptional engineers, scientists, and entrepreneurs. Our comprehensive and flexible curriculum ensures that our students are equipped with both theoretical knowledge and practical skills, empowering them to navigate the challenges of the professional world effectively.

We extend our heartfelt wishes for your continued success and enduring partnership with IIT Kharagpur. We believe that your organisation's valuable presence for the internship and placement process will provide our students with exceptional opportunities and contribute to their professional growth while offering your organisation access to top-tier talent and fostering a mutually beneficial partnership.

SPORTS

Team StrawDeshi from IIT Kharagpur has emerged as the winner at the **Mumbai Summit of the Hult Prize 2023** which had 70 teams participating from IITs, IIMs and other colleges from **South Asia**. Team StrawDeshi's idea was to use agro-waste rice straw as a raw material and extract its fibre to create winter jacket insulation, replacing down feathers, cotton and polyester filling materials.

Team Devin from IIT Kharagpur won the first Runner-up Award in the **American Express Campus Super Bowl** under the Data Science track. The competition was exclusively for 21 premier institutes of the nation.

IIT KGP's team becomes **National Winners in Hero Campus Challenge** 8th season. Over 75,000 registrations, 3-month competition. Grand Finale in New Delhi. Felicitated by **Hero Motocorp COO & CTO**.

Two students of IIT Kharagpur won the first and second position as the **national toppers** of the second scoring round of the **National Inter-college Crossword Expedition (NICE) 2023**.

EVOLVING MINDS

IIT Kharagpur accords eminent status to research and development in line with its firm resolve to change society and improve the quality of life. The Institute is widely acclaimed for the quality and breadth of its research enterprise, particularly for its openness to multidisciplinary research. Several highly rated initiatives represent an age-old IIT Kharagpur tradition of cross-disciplinary research and collaboration. In this continuous quest for excellence in our research endeavours, we recognize the importance of modernization in infrastructure and experimental facilities.

RESEARCH & PROJECTS

Highlights

- Painless Needle by Prof. T K Bhattacharyya, Head, Advanced Technology Development Centre, at IIT Kharagpur shines at the G20 working group meeting held at Hyderabad.
- Mr. Anupal Jyoti Dutta, PhD Scholar working under the supervision of Prof. Sandeep D. Kulkarni, Deysarkar Centre of Excellence in Petroleum Engineering, IIT Kharagpur received the best paper award for his presentation on "A Feasibility Study on the Extraction of Geothermal Energy from Jharia Coal fires: A Field-scale Simulation Approach,"
- Team StrawDeshi from IIT Kharagpur has emerged as the winner at the Mumbai Summit of the Hult Prize 2023. Fourth year students comprising of Ayushman Agrawal (ME), Daivik Agrawal (ME), Purva Agrawal (MI) and Tanishq Mittal (MT) competed among 40 teams in the campus round of the Hult Prize.

Recognitions

KHARAGPUR ROBOSOCCKER STUDENTS GROUP: A research group sponsored by the Centre for Excellence in Robotics with an aim to make autonomous soccer playing robots, participate in and secure podium finishes in international tournaments like the RoboCup Small Size League and Humanoid Simulation League.

AUTONOMOUS GROUND VEHICLE: A multidisciplinary research group working under the Centre of Excellence for Robotics Research working towards building a full-stack self-driving car with Level 5 Autonomy. Ventures of the group have been supported by industry standards such as SolidWorks, VectorNav Solutions, and Clearpath Robotics. AGV has also participated in international competitions like the Intelligent Ground Vehicle Competition (IGVC) and made the institute proud by securing second place.

AERIAL ROBOTICS LAB: A student research group working towards building autonomous aerial vehicles by developing drones that are capable of autonomous flight, localization in GPS-denied environments, tracking, and interaction with mobile ground robots as well as other drones. The team has successfully collaborated and completed a project with ICMR for vaccine delivery in remote locations using drones. ARK also participates in international drone competitions like IMAV and IARC. In 2019, the team bagged the First position in the International Micro Aerial Vehicle Competition held in Spain.

TEAM KART: TeamKART is the official Formula Student team of IIT Kharagpur. The team designs, manufactures and tests formula-style prototype race cars and participates in various Formula Student competitions across India and abroad. TeamKART secured an overall 10th position in Formula Bharat'20 and overall 5th place in FSEV Concept Challenge 2020.

BEYOND ACADEMICS

Conforming to the vision of IIT Kharagpur to enable students overall development holistically, opportunities are afforded to students to excel in a plethora of extracurricular activities. From sports to tech to social and cultural activities, KGPIans have excelled in all, notwithstanding the rigorous academic schedule. Students indulge in music, dramatics, debate, dance, case studies, b-plans, product design, data analytics, and various sports and games. The culture of active participation in various inter-hall events has helped our students prove their mettle in various national and international competitions. These activities are managed and organised by the students themselves, which provides them with an excellent platform to hone their managerial and leadership skills.

The Gymkhana is the hub of all extra curricular activities in IIT Kharagpur be it sports, socio-cultural or technology. Gymkhana also looks after the students' welfare and ensures their well being on campus. It acts as a centre for the day to day activities of the societies operating on campus. Regular training and practice sessions take place to facilitate excellence in the performance of the student teams at various inter-arsity competitions across the globe including the Inter-IITs

Technology Clubs

Kharagpur Open Source Society (KOSS), CodeClub, Business Club, Space Technology Student's Society, and Technology Robotix Society are among the plethora of technology clubs on campus, where they do everything from furthering open source culture and conquering space to making robots and conducting Pan-India robotics schools. Their proficiency ensures that IIT Kharagpur stands out as a champion, even among IITs.

Case Studies and B-Plans

Our students have proved themselves several times by securing podium finishes in competitions across the world such as the Hult prize, the World Business Dialogue, Harvard Programme for Asian and International relations, Solvay Business Game, Global Business Challenge, Rice B-plan Competition, Corporate Valuation & Financial Modelling Competition-London and Brussels Management Challenge.

Socio-Cultural Activities

The Institute boasts of a vibrant socio-cultural environment, where students develop, nurture and excel in diverse interests, ranging from music, dramatics, debate and dance to comedy and quizzing. IIT Kharagpur provides its students a platform to showcase their talents beyond academics through various societies including Encore and Pravah for dramatics, ETMS and WTMS for eastern and western music and Debate Society to broaden their horizons and enable a holistic development.

BEYOND ACADEMICS

Sponsored Research and Industrial Consultancy

With a wide diversity of research expertise available within the Institution, IIT Kharagpur has been geared up to take up leadership in Sponsored Research and Industrial Consultancy (SRIC) in a plethora of niche areas ranging from agriculture and food engineering on one side to technologies for affordable healthcare on the other. Our special emphasis is to develop and commercialize niche technologies for the under-served community- a perspective that makes us unique as compared to the rest of the glamorous pool of academic Institutions.

Kalpana Chawla Space Technology Cell

The activities of Space Technology Cell was initiated in 1998 in Indian Institute of Technology, Kharagpur with an aim to work in the areas of MEMS, Communications and Cryogenics including Engine Modelling. Subsequently the areas of materials, control systems, micro propulsions and VLSI design were included. The communications area extended to the areas of RF design, Electromagnetics, EMI/EMC and ESD. Starting with faculty members of the Departments of Aerospace Engineering, Chemical Engineering, Electronics & Electrical Communication Engineering, Electrical Engineering, Computer Science and Engineering, Cryogenic Engineering, Mechanical Engineering, Metallurgical & Materials Engineering, Rubber Technology Centre, Advanced Technology Centre, G. S Sanyal School of Telecommunication, Mining Engineering and School of Medical Science & Technology.

Students' Alumni Cell

The Students' Alumni Cell is a voluntary student body working under the aegis of the Dean, Outreach. With the purpose of establishing and nurturing the interaction between the Institute and its alumni, the organisation hosts an extravagant reunion for the Golden, Ruby, and Silver Jubilee batches every year. In addition to this, the cell has some distinguished initiatives like the Leadership Summit and the Affinity and Mentorship Programs. The organisation is also a torchbearer in the Students' Pan IIT Alumni Relations Cell (SPARC).

Entrepreneurship Cell

The Entrepreneurship Cell, IIT Kharagpur, is India's largest student-run entrepreneurship organisation, promoting innovation and startups on campus and beyond. Through global and pan-India initiatives, E-Cell impacts thousands of students, startups, and ecosystem stakeholders. It has achieved record participation in flagship events and nurtured 30+ active campus startups, some receiving prestigious grants like the Antler India Fellowship.

International Relations Cell

International Relations Cell is a student body working under the aegis of the Office of International Relations shouldered with the responsibility of improving the QS ranking of IIT Kharagpur and promoting the institute on the international front. With this aim, several initiatives like Foreign Training Program, Semester Away Program, Student Exchange Program, Dyuti and the Global Hult Prize have been initiated with huge success and collaboration with top universities like Brown and Stanford.

Branding and Relations Cell

Branding and Relations Cell is a student body that aims towards positioning IIT Kharagpur as a global leader in the field of science and technology. Its most prominent initiative is the Young Innovators Program, recognised by the President of India, which is an international competition for high school students.

BEYOND ACADEMICS

KSHITIJ

The annual techno-management Symposium of IIT Kharagpur. Since its inception, it has celebrated & instilled the true spirit of science and technology with a strong belief in the cycle to think, create and enjoy. An exponential increase in participation holds testimony to the mark it is creating and the aim it stands upon. Congregating students from all over India to showcase their scientific and managerial dexterity, it is known to provide an assorted mix of a galaxy of events with synchronized conduction of workshops, technical exhibitions, guest lectures, technology summits & more.

SPRING FEST

Spring Fest, IIT Kharagpur's annual cultural extravaganza since 1960, has become one of Asia's largest and most anticipated events, providing a colossal platform for students to showcase their immense talent and embody the 'True Spirit of Youth'. With over 100 diverse events across various genres, Spring Fest captivates its audience with an array of engaging experiences. This dynamic festival, driven by the unwavering dedication and boundless enthusiasm of students, weaves together joy, delight, and a touch of magic, creating an extraordinary tapestry of unforgettable moments. NOTABLE ALUMNI

Since its inception, IIT Kharagpur has produced many illustrious alumni whose contributions at the national and international level have been unparalleled. Our alumni have distinguished themselves in almost every field as scientists, academicians, technocrats, industry captains, architects, bureaucrats, and significant contributions in building modern India. A large number of them have also made their mark as successful entrepreneurs, academicians or scientists abroad. IIT Kharagpur takes pride in teaching skills and values that make them the most sought after candidates for coveted positions in business, academics and research. Our Alumni have made numerous invaluable contributions to the Institute in the form of endowment or by participating in advisory and management decisions. They are the foundation on which IIT KGP stands proudly with its head held up high.

Forbes 

6 of KGP's alumni were featured in the highly coveted Forbes 30 under 30 Asia: Class of '21, for their contribution to the field of technology and entrepreneurship.

ABOUT CAREER DEVELOPMENT CENTRE

IIT Kharagpur has revamped its **Training and Placement (TnP)** section to the Career Development Centre (CDC), which provides **360-degree career solutions** to its students. CDC, through its various activities, envisions 'Creating Game Changer IIT Kgpians'. It has been established with a **mission to 'Make every IITian a Career Oriented person instead of a Job Oriented Person'**. CDC views all recruiters as partners in developing the careers of students at IIT Kharagpur. It is continuously engaged in building relationships with corporate sectors and furthering industry collaboration. CDC, through its **orientation programs**, aims to develop professional ethics among the students. It facilitates students to make decisions and pursue their careers in various sectors, including core engineering, IT, Financial, Banking, Analytics, Consulting jobs, research and development, academic institutions etc.

A **new initiative** of CDC has been to institutionalise the international internship program through which students of IIT Kharagpur would avail of **international internships** facilitated by the institute's alumni. Students right from the day are guided in making a conscious career choice. These various activities of CDC serve as a motivation for IIT aspirants who, on admission to IIT Kharagpur, can avail the unique services offered by the CDC.
